**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have fiber today but were previously connected with competitive DSL. I choose a competitive provider because I believe that in diversity we all thrive. When we have more options we have more bargain ability. For me, customer service is what I seek. Larger service providers lack this. And I refuse to give them my money. I currently am with a provider called Sonic and have had the best service both in internet speeds and customer relations I have ever had.
